Introduction

The CEV U18 Beach Volleyball European Championships remains a key asset in the portfolio of the CEV Beach Volleyball competitions for more than 20 years.

The competition is planned as the annual meeting point for Beach Volleyball athletes from across Europe on this age group, providing the next generation of elite European Beach Volleyball players with the introductory step to international Beach Volleyball competitions and setting a pathway to grow and develop their skills.

Since 2025 qualification to the Final is through two Qualifying phases, thereby providing additional opportunities for young athletes to compete on the international stage and a more performance-based qualification pathway.

This candidature application document aims to give a clear overview of the event conditions and requirements.

Hosting a CEV Beach Volleyball Age Group European Championship allows the association with a European title event and the chance to engage into a true festival of sport with delegations around Europe.

1. Appointment Process

The appointment of the Co-Organiser is based on a bidding process as detailed below.

Step 1: Application

The submission of the Application is an acceptance to comply with the relevant CEV requirements and regulations for the organisation of the relevant CEV competition.

The application should include the following information and documentation:

- The BV-A Competition Application form
- All supporting files and information detailed in the Competition Application Form,
- The Commitment letter that is available that is available at the end of this Candidature Application document
- Any additional concrete plans and actions that raise either the level and image of the CEV competition or the public awareness and contribute to the development of the sport in the region/country.

Step 2: Evaluation

The CEV evaluates the applications based on a number of criteria such as:

- The documentation provided, namely the BV-A Competition Application and all requested supporting files and information,
- Prior experience of candidate NFs/Co-Organisers in organising European Beach Volleyball events,
- Additional parameters such as involvement in other CEV initiatives, etc.

Step 3: Award

If appointed by the CEV, the candidate will automatically become the Co-Organiser of the respective CEV competition, and an agreement will be sent for signing to the organising National Federation.

Public announcement of the appointed Co-Organisers will be coordinated together with the CEV at a mutually agreed time.

Step 4: Execution

CEV will be supporting the Co-organisers to deliver a well-prepared and professionally organised championships through a set of tools and a timetable of actions developed to detail all event parameters.

The Co-Organiser and the CEV work closely together throughout the implementation process in order to deliver together a great and remarkable event for all involved stakeholders.

Requests for additional assistance regarding the filing of your application can be addressed to beach@cev.eu.

2. Application Requirements

The submission of the candidature application is an acceptance to comply with the [CEV Beach Volleyball Competitions Regulations & Guidelines](#) and the Organising Terms & Conditions for the CEV competition as set below.

As clearly indicated in the Beach Volleyball Competition Application form, a number of supporting documents shall be presented together with your duly completed [BV-A form](#), and the Commitment letter.

For the event delivery the candidate is also expected to:

- ✓ Follow the CEV event delivery documents (Event Handbook, Master Plan, Branding Guidelines, etc.),
- ✓ Involve a sufficient management team for the proper event delivery, considering the number of participating teams and necessary supporting operations,
- ✓ Present adequate promotional and event communication initiatives in the lead up to the event as well as during the competition itself (timeline, activities, promotional channels, media, etc.).

An event can be staged in more than one venue; in this case, attention needs to be paid in planning the necessary supporting facilities, logistical aspects and human resources for the additional venues.

3. Key Organising Terms & Conditions

Event Parameters	
Event Dates	From late July to early September to allow sufficient time for the Zonal Associations to complete their respective First-round Qualifiers, and the smooth participation of athletes with school / academic obligations. Dates to be coordinated with the CEV to avoid clashes with any other major Beach Volleyball events in Europe.
Infrastructure and Facilities	According to the CEV Beach Volleyball Competitions Regulations (Section 5: Organiser, Chapter 6: Facilities) and the CEV Beach Volleyball Guidelines (Section 4: Organiser, 28. Areas)
Centre/Side Court capacity	Centre Court with minimum capacity of 700 seats in a stadium style with tribunes from at least 2 sides, and with additional designated areas to be developed for VIPs and participating National Federation members.

Event Parameters	
Competition, Warm-up courts	4 competition courts plus 2 warm up courts
Number of competition days	Four (4) for Main Draw plus one (1) for the Second-round Qualifier on the day before the start of the Main Draw
Number of Main Draw teams	32 per gender, including two Host Country teams directly in the Main Draw and a third team in the Second-round Qualifier (if organised)
Competition format	Double gender events. Pool play followed by a Single Elimination Phase and Classification matches. Competition format will be further defined in the Official Communication document.
Accommodation & Local transportation	For all participating delegations, CEV Officials and referees in line with the provisions of the CEV Beach Volleyball Regulations (Section 5: Organiser, Chapters 8: Transportation and 9: Accommodation) and the CEV Beach Volleyball Guidelines (Section 4: Organiser, 33. Accommodation)
International transportation & Per Diem	For up to 5 CEV Officials and 8 Neutral Referees in line with the provisions of the CEV Beach Volleyball Regulations (Section 5: Organiser, Chapters 8: Transportation and Section 8: Finance 103. Organisation Costs) and the CEV Beach Volleyball Guidelines (Section 4: Organiser). When the Co-Organiser uses more than one venue, additional individuals are appointed to each additional venue.
Minimum Production Obligation	Matches to be produced: semi-finals and medal matches (for a total of 8 matches across the two genders) Production standards: 3HD camera and integration of official CEV graphics package (templates to be provided by the CEV) Delivery method of the signal: via Internet/RTMP/SRT (Streaming Feed) and as per the specifications shared by the CEV.
Streaming	Single camera streaming of all matches prior to the semi-finals and finals minimum from the center court. Streaming of side courts is also highly recommended (technical specifications to be shared in the Organiser Agreement and Event Handbook) .
Production of CEV corporate identity	According to the CEV Branding Guidelines
Match Data Collection	Ensure the availability of the necessary hardware and personnel for the mandatory use of Volleyball Information System (VIS), the CEV E-scoresheet and the CEV Click & Scout Media applications, with internet LAN cable connection on-court for all matches of the Competition. Software access credentials and technical support are provided by the CEV and its official technology partner. The Co-Organiser is responsible for ensuring the accurate and timely delivery of match data to CEV and its partners, as per technical requirements provided in the Co-Organiser Agreement.

Event Parameters	
Assignment of LOC and Staff	According to the requirements set in the CEV Beach Volleyball Regulations (Section 5: Organiser, Chapter 7: Workforce) and in the CEV Beach Volleyball Guidelines (Section 4: Organiser, 25. Court staff)
Uniforms	Compulsory for CEV Officials and Referees, optional for participating teams (option to be confirmed -3 months from event dates).

5. Commitment

Please print the following text on the official letterhead of your National Federation. The names of all parties and their representatives shall be included at the end of the text. Please return one original to the CEV office, together with your application.

If the application is submitted by more than one entity, all entities shall sign only one original.

Dear Mr President,

We hereby submit our application to host the **CEV U18 Beach Volleyball European Championships 2027**, hereinafter "the CEV competition".

This letter constitutes a formal declaration of intent and pre-contractual commitment. It expresses our serious, clear and unequivocal commitment to organising said CEV competition. We fully are prepared to deliver, to the best of our abilities, a competition of the highest standard, one that will be recognised by fans, media and partners as an international event, in accordance with the requirements and standards established by the CEV.

Our application is complete, true, accurate, realistic, based on existing and verified data and in full compliance with the CEV Application Guidelines and Regulatory Framework.

We own, have or will obtain in due time all the necessary and appropriate rights, licences, consents, skilled personnel, workforce, facilities, and other resources to comply with the CEV requirements and implement the content of our application.

By submitting this application, we irrevocably, fully and unconditionally undertake to organise the CEV competition in accordance with the information provided and in compliance with the CEV regulations.

We acknowledge and agree that, upon the CEV's official appointment of our organisation as Host, this signed Commitment Letter together with our submitted application shall automatically constitute a binding agreement between the CEV and ourselves for the organisation of the CEV Competition.

Until such appointment, this letter shall serve as a binding expression of our intent and commitment to host the event, and our application shall remain valid and irrevocable for consideration by the CEV Board.

Yours sincerely,

Place
