### **1. COVID-19 INFORMATION**

#### **Important notes during the challenging times of COVID-19 Pandemic.**

A number of documents have been developed by CEV and FIVB to protect the health, safety and well-being of athletes, coaches, officials, staff and all persons involved in the organisation of the event:

- [The CEV Competitions Hygiene Guidelines](#),
- [CEV Hygiene Guidelines – Beach Volleyball Specifications](#)
- [The 2022 FIVB COVID-19 Protocol](#)

Following a recommendation of the CEV Medical Commission, in countries where there are no restrictions in place to curb the spread of the novel coronavirus, the organisers and all relevant stakeholders do not have to follow the provisions of the relevant, latest CEV Hygiene Guidelines – Beach Volleyball Specifications.'

Nevertheless and to ensure a safe event for all persons involved, the following recommendations and guidelines to every accredited participant of the event are in place:

- Hygiene measures should be always observed. These include frequent and thorough hand washing and coughing and sneezing into the crook of the arm or into a paper handkerchief.
- When a minimum distance of 1.50m cannot be maintained in closed areas, medical mouth protection is recommended. The same principle is also recommended for local and international transportation
- Persons with a confirmed SARS Cov-2 infection will not be allowed access to the venue and will be required to go into isolation.
