2024

1. Introduction & General Information

The CEV Beach Volley European Cup is the latest introduced CEV initiative, adding a Beach Volleyball Clubs competition to the European Beach Volleyball ecosystem and acknowledging the Beach Volleyball Clubs role within the Beach Volleyball structure.

Following the very successful 1st edition organised in October 2023, the CEV wishes to further develop the new event category in close collaboration with the respective National Federations, Beach Volleyball Clubs and other stakeholders.

The CEV Beach Volley European Cup 2024 is planned for the 2nd semester of 2024, following the completion of the national qualification process run by each National Federation.

The competition will comprise of 2 stages: a Final tournament with the participation of 8 Clubs and a Preliminary Phase should the the registered to the European Cup Clubs exceed the above stated number.

A detailed Official Communication will be circulated detailing all the competition parameters and stages for the 2024 edition.

2. Appointment Process

Each of the National Federations with a homologated National Clubs competition is entitled to apply for the organisation of the Beach Volley European Cup Final tournament.

The winning Club of the respective National Federation will automatically earn a place to this tournament. The remaining spots will be allocated through the qualification procedure detailed in the Official Communication.

The appointment of the Final tournament process involves the following 4 steps:

Step 1: Application

The Candidature application needs to be presented through the BV-A Form “Beach Volleyball Competition Application” available on the [CEV website](#), **by May 30th the very latest.**

The Application will only be considered as valid when all mandatory enclosures and the Commitment Letter in this document are submitted along the BV-A form.

Step 2: Evaluation & Award

The CEV will evaluate the applications based on the documentation provided as well as the experience with previous events held in the respective country.

Any additional offered conditions to the participating Clubs will be considered in the evaluation of the application process.

If appointed, the Applicant will automatically become the Organiser of the Final competition and an agreement will be sent for signing to the organising National Federation.

Step 3: Execution

The event build-up and delivery model will be coordinated by the CEV and in close collaboration with the Organiser throughout the implementation process.

Events need to be planned ahead of time to secure the necessary resources and a number of people should be included in the event planning & delivery, as members of the Local Organising team.

Requests for additional assistance regarding the appointment process can be addressed to beach@cev.eu.
